**RENY (FLIP) RAMOS** is a 33 year old freelance photographer born and raised in the Big Easy - New Orleans, LA. Staying true to no specific genre of photography, you'll see everything from fashion to fetish in his portfolio. Considered more of an artist than photographer, he tries to use the camera and light to paint the perfect picture. His set features Ratheal, a down home local girl who runs her own Lingerie Show promotional company - 238 Lingerie. [www.flipstylephotography.com](http://www.flipstylephotography.com)

**MATT MAYES** is a 33 year old East Coast photographer, better known online as Mojokiss. He started experimenting with photography in his girlfriend's dark room at the age of 28 shooting mostly landscapes and still life. Early inspirations were photographers Patrick Demarchelier and James M. Graham. Now he has returned to 35mm film studies and continues to develop a fresh and increasingly recognizable body of work. [www.mojokiss.com](http://www.mojokiss.com)

**BILL DIODATO** is a New York based photographer who shoots conceptual photography of Fashion, Beauty, Portrait and Still Life. "Little Bukowski" model, Nicole Donahue, performs with the band LMFAO and recently opened for the Black Eyed Peas in Australia and New Zealand. Bill has shot stories for Allure, Interview, Marie Claire, Nylon, New York Times magazine, Glamour, XXL, The Source, and Blackbook. [www.billdiodato.com](http://www.billdiodato.com)

**STEVE PRUE** lives and works in Brooklyn. He likes taking pictures of girls, pretty clothes and things that go 'vroom'. He also believes that the world needs more rockstars. See them in their natural habitat at [www.teamrockstarimages.com](http://www.teamrockstarimages.com)

**JEFF COHN** is a Philadelphia based Fashion and Commercial photographer. His career started as a tour photographer for industrial rock superstars KMFDM. He began shooting alternative, goth, punk and heavily tattooed girls. He is also one of the co-founders of Catwalk Tragedy (Alternative Beauty Pageant). His focus has been on helping to establish Philadelphia as a fashion Mecca as well as his continued commercial and alternative shooting success. [www.jeffcohnphoto.com](http://www.jeffcohnphoto.com)

It's been a little over two years since I had the pleasure of re-launching INKED. Since that time, some of the world's most beautiful women with tattoos have graced the pages of INKED. Thousands more have uploaded their photos to [inkedmag.com](http://inkedmag.com) and our hard-working editorial staff receives hundreds of additional photos every month from women, photographers, agents and boyfriends. The Inked Girl section of [inkedmag.com](http://inkedmag.com) is the most frequently visited area of the site. After 2 years of enjoying the solicited and unsolicited photos of beautiful women with tattoos, with hundreds of girls that wanted to be published, and tens of thousands of visitors that wanted to see more, I made the decision to launch Inked Girls.

I want to thank the wonderful photographers and the models that are in this premier issue of Inked Girls. So, share it with your friends and tell the hot chicks with ink to upload their photos to [inkedmag.com](http://inkedmag.com). If you're favorite girl doesn't have any tattoos, tell her how much hotter a little ink makes a woman.
